Staff

Mr. Robert Reeder, Principal

My sincerest congratulations go out to the editor, staff, and advisor of this year's Husky. I have never seen a more dedicated and cooperative group. Your efforts have made it possible for the students and faculty to enjoy a very fine pictorial record of this school year. My congratulations are also extended to a very fine student body and faculty. It is hoped that the experiences of this school year will challenge us to make an even better record next year. To the seniors, good luck in the future. Underclassmen, we will welcome you back next semester. May this Husky give you many pleasant memories of Hughson High School.

Miss Thompson
Dean of Girls

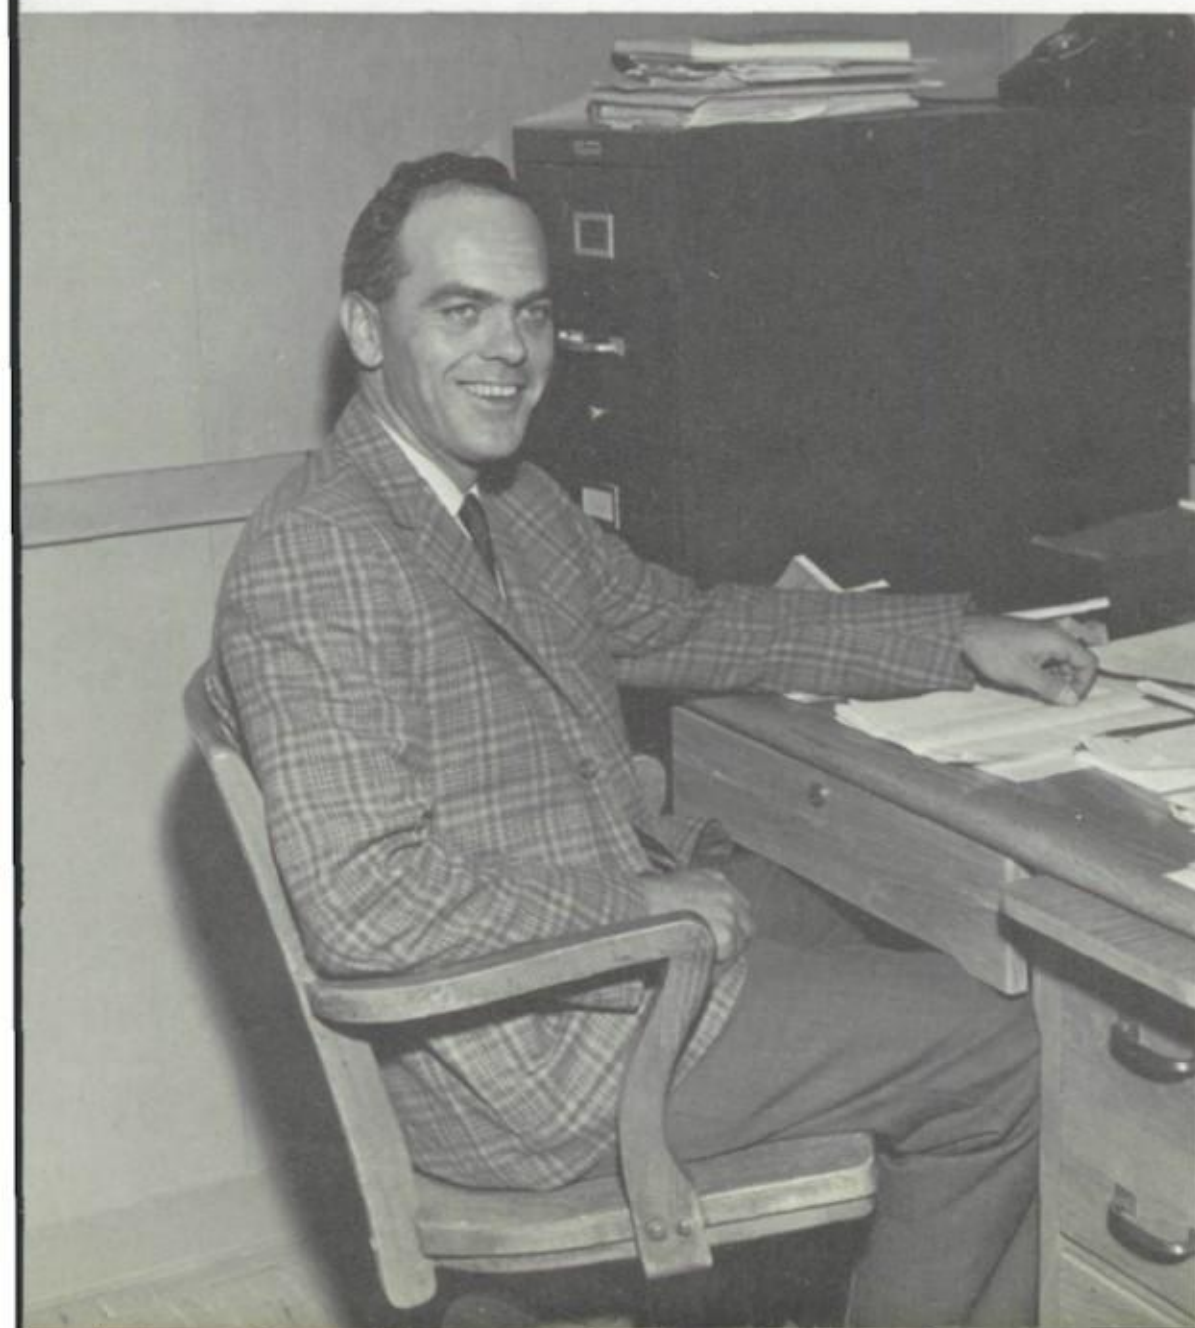

The kindness and cooperation displayed by the majority of students of Hughson High School has been an inspiration to me during the past two years.

It is my sincere hope that the education and experience which you have had in high school will serve as your passport to future happiness and success.

Mr. Krueger
Dean of Boys

I feel sure that as you read through the pages of this year book you will reflect on the wonderful year we had. This is also what I would like to express. My first year at Hughson produced many experiences and friendships that could not be described as anything but wonderful. Everyone strived to make 1960-61 the best year for Hughson High and I am certain that the desire will continue so the future of our school is extremely bright.

Kathy,

This is a bit late but better late than

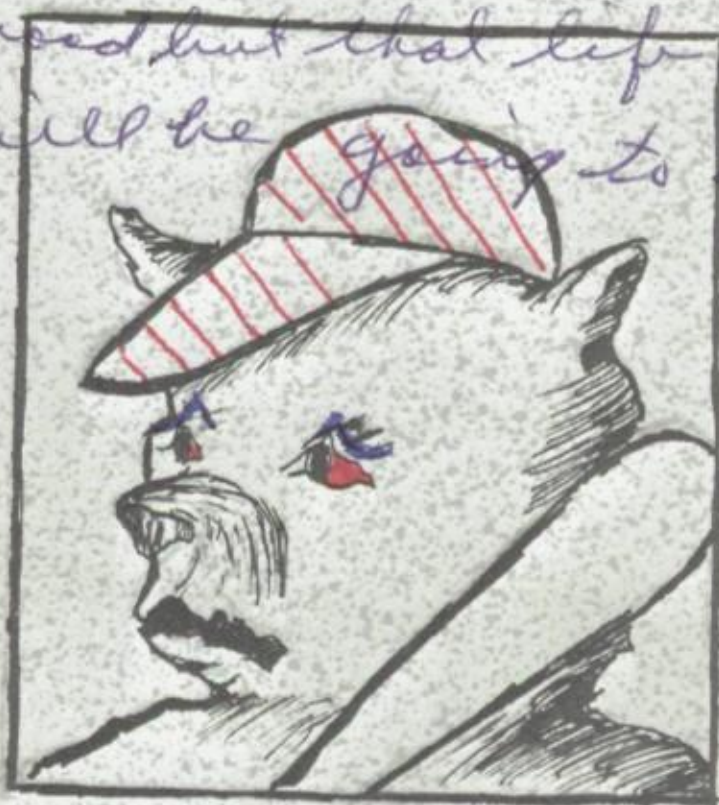

Husky Hall of Fame

never. I had a lot of fun with you last year and a lot of trouble (if you know what I mean) but that's all over. You're a very sweet and good looking girl even if you don't like me when I'm in a dumb mood but that life.

Just think next year you will be going to all of the sports activities.

HAH! HAH! HAH!

and all that junk. I didn't see you much last summer but I'm sure this summer will

HUGO

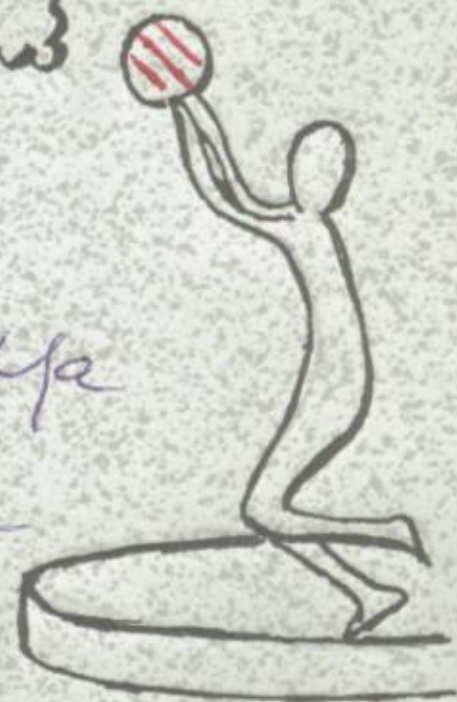

be different. (I hope)

well that's it.

Love ya

Ken
